

1. Zone 1 - Area of 100-year flood, or flood elevation and flood hazard zone.

2. Zone 2 - Area between limits of the 100-year flood and 500-year flood, or certain areas subject to 100-year flooding with average depth of less than one (1) foot or with the river during 100-year event in less than 1 square mile, or area protected by levees, levee free flood, or other flood protection, as to be shown on the 500-year flood plan.

Note: Flood areas as shown were dated from the referenced FEMA Flood Map.
